Westshore Transition Planning

A series of workshops on Concepts, Considerations and How To's

Please join us for a series of information sessions that will help youth plan for the transition into adulthood. Regardless of where a youth is at you will find helpful and practical information in this series. These evenings are open to parents, professionals and the youth who are transitioning between the ages of 14 and 25 years old. Registration is not required and there is no fee to attend. Sessions will alternate between Royal Bay Secondary School and Edward Milne Community School.
